**Monthly Recurring Revenue From Payline: \$ 2,080**

# The Power Lead System 100% Accelerated Leverage Compensation Plan

## Illustrative Example

### 50% Matching Bonus

1. You earn a 50% matching bonus on the entire payline of everyone you personally sponsor, including your rollups.

2. From above that each affiliate makes \$2,080 per month with 20 subscriptions.

Matching bonus on your first 20 signups:

$$20 \times \$2,080 \times 50\% = \quad \quad \quad \$ \quad 20,800$$

**Total Monthly Recurring Revenue: \$ 22,880**

This illustration shows the income that could be earned by sponsoring 20 people who also sponsor 20 people. It shows the potential of the Power Lead System Accelerated Leverage 100% Compensation Plan.

The company does pay out 100% commissions, but not to a single affiliate. On the monthly subscription fee of \$30, \$20 is paid directly and the other \$10 (50%) is paid via the matching bonus. Commissions are only paid on the subscription fee, not the affiliate fee. Bonuses are not paid on top of bonuses, just the normal payline.

Individual results **will** vary. Some sign-ups will just use the marketing system only and not participate in the affiliate program (you still get paid \$20/month for a subscriber). Some will sponsor less than 20 and some will sponsor much more than 20. Some will do nothing and eventually drop out. Due to the vast number of variables, it is not possible to predict with certainty how much you will actually earn.

This example illustrates how you could earn \$22,880 in recurring, monthly income. It could be more but likely less. If it was even 10% of the illustration, would \$2,280 per month make a difference in your life? Why stop there? Sponsor a few hundred and make \$50-100,000 per month. It's up to you. At a very minimum, sponsor three and your state-of-the-art marketing platform is free.

This program is an affiliate compensation program with bonuses, **not** a multilevel program.

**Earnings Disclaimer:** Your earnings depend on your individual effort, skills, abilities, aptitude, knowledge, attitude, motivation, intelligence, willingness to learn and follow directions, etc. Investments in advertising, training, services, tools, outsourcing, etc. could speed up results. Income is not guaranteed and could be zero.
